STATEMENT OF INTENT

To ensure the safety and welfare of the children in our care, this Policy outlines the protocols for the use of personal mobile phones/devices and cameras in the EYFS setting - Reception Class.

- Personal mobile phones, cameras and video recording equipment cannot be used when in the presence of children on the School premises (including the swimming pool).
- Mobile phones must only be used for emergency purposes within the EYFS setting during contact time with the children (this includes staff, visitors, parents, volunteers and students).
- No parent is permitted to use their mobile phone camera facility whilst in the School buildings or in the swimming pool.
- Mobile phones must not be used in any teaching area within the EYFS setting or within the bathroom area.
- It is the responsibility of all staff to make families aware of the School telephone numbers and email address where messages can be left and communicated to staff where necessary.
- Personal calls may be made in non-contact time but not within the teaching areas.

- Staff will take photographs of activities using a school device which will be saved on the Tapestry Learning Journal and these are available to parents.
- Personal mobiles, cameras or video recorders should not be used to record classroom activities. Only School equipment should be used.
- School devices used for photographing children or recording video in EYFS must not be taken home with staff and must remain secure at the setting when not in use.
- Photographs and recordings can only be transferred to and stored on a School computer/iPad or laptop before printing.
- All telephone contact with parents/carers should be made on the School telephone or by email.
- During group outings, nominated staff will have access to a mobile which can be used in an emergency or for contact purposes. Staff may carry their own phones in bags, but they should only be used in emergencies.
- In the case of School productions and sports days, parents/carers are permitted to take photographs/video footage of *their own child* in accordance with the School protocols, but we strongly advise against the publication of any such photographs on social networking sites.
